

Biblical Spiritual Fornication

Spiritual Fornication is a figure of speech used in the Scriptures that pictorially illustrates a saint's unholy (unrighteous separation) from Jehovah God (the Father, Son, and Holy Spirit) by being unfaithful to a body of doctrine given to them by Jehovah God (the Father, Son, and Holy Spirit) practicing another form of doctrine.

Examples:

1. Rev. 2:14 : the doctrine to be practiced of Balaam
 - A. What is it?
 - B. How is it a unique form of idolatry?
 - C. What lusts to beware of concerning this?

2. Rev. 2:20-24 : the doctrine to be practiced of the prophetess Jezebel
 - A. What is it?
 - B. How is it a unique form of idolatry?
 - C. What lusts to beware of concerning this?
