Why do Christians age? (being caused to die or being put to death)

- 2. Because their physical body is corruptible! (the physical body is deteriorating)**
- 3. NOT because of Adam's original sin, nor his trespass; but all Christians before they are regenerated were born possessing a sin nature. They continue after the New Birth to still possess a sin nature, which resides in their physical members.**
- 4. The New Birth while the Christian sojourns on the earth is only in the real of the Christian's human spirit. Their soul is unsaved and their body is neither glorified nor resurrected.**
