

The Hope of Victory over the Sin Nature

Romans 7:18-25

At salvation:

- All Christians participate in the Divine Nature.
- This new nature has desires: a desirous will.
- All Christians still have a sin nature with its desires and desirous will.
- Our new nature and sin nature are in opposition to each other.
- The sin nature always wins the struggle without Divine enabling.

A. The promise of Divine enabling—the inner man.

B. The principal (“law” KJV) of the sin nature.

C. The principal of the God.

D. The principle of the mind.
